See page 2 for a synopsis of the proposals.

The proposals are

- 1) ABR B.3.2 Requires F2D mechanics to hold FAI licence for category 1 competitions; this will bring ABR in line with current practice.
- 2) ABR B.3.4 Raises the junior age limit to 25 in order to try to keep juniors until they are good enough to beat the old seniors.
- 3) F2A 4.1.7 Timing clarification, to bring rules in line with latest software.
- 4) F2C 4.3 Clarification rewrite of F2C rules
- 5) F2C Annex 4C Clarification of judges guide
- 6) F2C 4.3.6 Reorganisation of the draw for F2C.
- 7) F2C 4.3.12 New rules to deal with watch errors in F2C. If this is agreed it will be incorporated into the F2C rule clarification document.
- 8) F2D 4.4.5.i Clarification about streamer hook.
- 9) F2D 4.4.9.p New rule to allow mechanic to leave fly away model where it lands.
- 10) F2D 4.4.12.C.p New rule to penalise mechanics for entering the circle when at least one model is flying.
- 11) 4.4.14.K Clarification of team classification
- 12) F2D 4.4.9.p Change to Judges Guide relating to new rule 4.4.9.p.
- 13) F2D 4.4.11.c Change to Judges Guide regarding actions during line tangles.
- 14) F2D 4.4.12.j Change to Judges Guide to clarify when this rule applies.
- 15) F2F 4.H.4 To allow current practice of using an engine mounted heat shield which is needed for ex F2C AAC engines.
- 16) 4.E.1 To make F2F a World Cup class which will help team race participation at World Cup competitions.
